TUESDAY AT 1:30 PM (MT) • BELLE FOURCHE LIVESTOCK

70 POWERFUL YEARLING
ANGUS BULLS

50 FANCY COMMERCIAL
REPLACEMENT FEMALES

BAR 69 ANGUS ▶

Welcome

It is a pleasure to welcome you to our 36th Annual Bar 69 Ranch Production Sale.

Bull sale time is one of our favorite times of the year. We look forward to seeing our customers and friends, along with meeting some new customers and getting to know you and more about your operation. Our goal is to make sure that these bulls go out and work for you and make your ranch profitable. As you study the EPDs and data in this sale book, you can see that we are committed to raising cattle that are balanced. Our cattle are known for their maternal genetics, and those who have bought in years past can attest to this.

This is the most powerful and consistent set of bulls we have ever sold, with length, thickness, and natural fleshing ability. 70 bulls sell—the top out of 140 bull calves, and none are sold before the sale. You will like the 50 fancy replacement heifers! They are mates to the bulls and were all born and raised on our ranch. These heifers are feminine but powerful and should raise a good calf and still breed back early.

Our goal for our cow herd is that they will stay in the herd for many years. We try to achieve this through a combination of docility, fertility, performance, and phenotype. Bar 69 Ranch cows have to cover large pastures and hold their condition so they can succeed in breeding back early every year. Structural correctness is not something that we can afford to compromise on, so every year, we specifically select for good feet and legs. We believe that docility is extremely important, and our cattle are known for their quiet disposition and being easy to handle. The last key to profitability is performance. Once you get a cow to stay in your herd year after year, you need her to raise big, stout calves on prairie grass. Our steer calves (who didn't get to become bulls) have averaged over 650 pounds the last three years.

Customer service has been key for us the last 36 years. We strive to have happy customers who want to come back year after year. You are always welcome to come out to the ranch to observe our operation. We stand behind our bulls and do our best to personally keep in touch with all of our customers.

With moisture looking good in most areas, and strong fundamentals in the cattle market, it looks to be a great year in cattle country! We give special thanks to all our previous customers and are especially grateful to all the staff, friends, and neighbors that help make every year possible for us.

Please note that we deliver free for the first 200 miles, and there is a \$50 discount per bull if you pick it up sale day. We also offer a first breeding season guarantee.

Please feel free to call on us with any questions. Videos of the bulls are available on our web site or on DVAuction.com.

We look forward to seeing all of you on sale day.

INSPECTION

Bulls and heifers may be inspected any time prior to the sale at the ranch six miles east of Belle Fourche or at Belle Fourche Livestock on April 1, 2024

SUPPLEMENTAL INFORMATION

A supplement sheet with weights and scrotal measurements will be available sale day and on online at Bar69Angus.com

**VIDEOS AVAILABLE ON
BAR69ANGUS.COM**

**Announcements on sale day take precedence over
any information in this catalog.**

TERMS AND CONDITIONS

Cattle will sell under the terms and conditions recommended by the American Angus Association. All cattle are to be settled for sale day unless prior arrangements have been made.

HERD HEALTH

Our bulls and heifers are on a complete health program to ensure they perform well for you. The bulls were fertility tested and scotal measured by Dr. Bill Marlett, D.V.M. of the Belle Fourche Vet Clinic. Bulls and heifers have been vaccinated Spring and Fall with Vista Once PHM, Vision 7 w/Somnus, poured with Cydectin and later with Clean-Up. Bulls have been vaccinated for foot rot. Heifers have received their pre-breeding shot of Virashield 6+ VL5.

CONDITIONING OF SALE BULLS

Every bull has a useful performance record. These bulls have been handled in a practical manner, developed without creep until weaning time, and finished on a light growing ration until sale time.

REPEAT BUYER POLICY

If you purchased an animal in last year's sale, you will receive \$50 off each purchase in this year's bull sale. This credit is only good if you made a purchase in last year's sale, not just any previous sale. If you make a purchase in this year's sale, you will receive \$50 off each purchase in next year's sale, should you decide to be a repeat customer.

RETAINED INTEREST

Bar 69 Angus Ranch is retaining one third revenue sharing semen interest in every bull selling in this sale. Full possession and salvage value sells on all bulls.

TRUCKING

Bulls will be delivered free of charge up to 200 miles from Belle Fourche Livestock. \$50 off each bull if you haul sale day.

HEIFERS

Registration papers are available on most of the heifers for \$100 per head.

LIABILITY

All persons who attend do so at their own risk, and Bar 69 Ranch assumes no liability, legal or otherwise, for any accidents which may occur.

ABSENTEE BIDDING

We would love to see you sale day, but if you can't make it, we have you covered:

- Evaluate the bulls and heifers at the ranch until March 31, 2024.
- On April 1, 2024 they will be available for viewing at Belle Fourche Livestock.
- **Online videos available at Bar69Angus.com or on DVAuction.com**

UNABLE TO ATTEND THE SALE?

Satisfaction guaranteed. Call us for information about our "Sight Unseen Purchase Program."

Bids can be phoned to:

- Craig at 605-210-1989 (cell)
- Chase Kukuchka at 605-210-1988
- Scott Dirk at 605-380-6024
- Bob Anderson at 605-641-1042
- Representatives listed on page one

Bid LIVE ONLINE with real-time bidding and proxy bidding. **DVAuction**
Broadcasting Real-Time Auctions

Register prior to sale day at DVAuction.com. Go to the "create new account" tab and click on the create new account button in the upper left corner. Tune in sale day. If you have questions call 402-316-5460. *High-Speed Internet Required

First Breeding Season Guarantee

All Bulls

will be covered 50% by the Bar 69 Angus Ranch if they are injured during the first breeding season.

Breeding season is defined as the 60-day period following the first turnout of the bulls. 50% of the purchase price, minus half the salvage value, will be given as credit towards a replacement bull, if we have one available, or as a credit at next year's sale.

- All bulls must be diagnosed by a licensed veterinarian.
- We must be notified should injury occur and before the bull is sold for salvage. A copy of the salvage receipt must be sent to us.
- All claims must be made by September 1, 2024.
- We will not be responsible for more than half the purchase price of the bull. Mortality insurance will be available.

THE VALUE LIES WITHIN

Bar 69 has utilized the best in Angus genetics for decades and is proud to bring you a set of bulls, that as a group, rank above the breed in many of the below traits.

	CED	BW	WW	YW	MILK	CLAW	ANGLE	\$M	\$W
BAR 69 AVG	6	0.8	69	119	30	43	46	69	70
BREED AVG	6	1.3	62	110	26	49	48	60	59

Claw Set EPD (Claw), a lower EPD being more favorable indicating a sire will produce progeny with more ideal claw set. The ideal target for claw set being toes are symmetrical, evenly and appropriately spaced.

Foot Angle EPD (Angle), a lower EPD being more favorable indicating a sire will produce progeny with more ideal foot angle.

Maternal Weaned Calf Value (\$M) builds on \$W by adding heifer pregnancy (fertility), docility and the new foot score EPDs.

As you can see, the bulls in this sale average significantly higher than breed average for these profitability traits. Bar 69 Ranch has selected for profitable maternal traits for decades, and it shows in the numbers!

Weaned Calf Value (\$W) provides the expected dollar-per-head difference in future progeny preweaning performance from birth to weaning. \$W assumes that producers retain 20% of their female progeny for replacements and sell the rest of their cull female and male progeny as feeder calves.

Justified is a proven calving ease sire that doesn't sacrifice muscle and shape. His sons are moderate, clean fronted bulls, with lots of thickness all in a balanced and sound made package. Justified daughters are proving to be good mothers with great dispositions, good feet and excellent udder quality.

100 YEARS in the Angus Business

As many of you know, the Sitz family is celebrating a century in the seedstock business, a milestone marked by years of careful decisions and navigating difficult times. This legacy dates back to 1923, when William and Frieda Sitz purchased their first registered cows, beginning the family operation in Nebraska.

Bob Sr. was progressive from the beginning, putting his faith in the Angus breed, and quickly adopting practices that would improve the cow herd. He was one of the first to performance test bulls and was an early adopter of Artificial Insemination. Around 1968, Bob took daughters, Deb and Sherrie to Anton Lovald's cow dispersion, each trading their piggy banks for a cow. Deb's cow was from the Rosemary line. A couple of years later, Bob sold all that year's heifers to Summitcrest Angus in Ohio and accidentally shipped one of Deb's. So the next year, he replaced her with an Elsiemere heifer. Almost all of the cows on our ranch go back to those two cows. When Craig and Deb got married, they decided to continue with the registered cows and continued using bulls from the Sitz program, growing their registered herd through the years.

Bridging the gap between the data-filled seedstock world and practical commercial business can be difficult, and our family has found that raising bulls that live up to the data is essential. Commercial producers trust that we are being progressive, moving our herd in the right direction, and that our genetics will move their herd in the right direction. It's hard to select for every EPD, so we select for the EPDs that are important for us and our customers, and try to stay at the breed average or better on the rest.

Bob and Donna's children, Jim, Bob, Debbie, and Sherrie, each developed a passion for the beef industry. All four are still raising registered Angus cattle and selling bulls. And now, Craig and Deb's daughter Callie and son Chase are assuming much of the responsibility for the Bar 69 cow herd.

100 Years of Sustainable Cattle

Breeding registered Angus for over 36 years, we have bred **PROFITABLE** bulls that **PERFORM** for you, the commercial cattlemen. We run our cows as you do—with no special treatment. We believe great cows produce great bulls and have strived for decades to build a cow herd we are proud of. Disposition is of the utmost importance to us—we handle the cattle in the quietest way possible and make sure the bulls are used to people and horses.

We value a bull that is in good condition, but are very careful not to overfeed our bulls—we want them to have good feet and legs and be able to work hard an entire season. We have a high rate of return buyers due to the **LONGEVITY** of our bulls. Our family has been in the cattle business for over 100 years and we strive each day to continue that tradition of providing genetics that work for you.

It all starts at birth!

You are making a long-term decision with the purchase of every bull, so we have gone the extra mile starting at birth. We scale weigh every calf within hours of birth and continue with accurate record keeping, collecting weaning and yearling weights and DNA testing the bulls for genetic information. All bulls are DNA'd for parentage and genetic performance, but real records need to be turned in for the accuracy to be there. Disposition is very important to us. Bar 69 cattle are handled quietly with a hands-on approach.

Buy with Confidence

Bar 69 Ranch has raised Targhee sheep for over 30 years. Springtime is certainly busy with calving and lambing happening in tandem. Replacement ewe lambs are sold in September at the Newell Sheep Yards, and Callie has started selling ram lambs in the fall. Give us a call if we can be of help.

"We have been purchasing bulls from BAR 69 for at least 11 years. We have been extremely satisfied with them. The bulls have had good feet, legs and good dispositions. The calves from these bulls have performed very well for us."

Jesse and Anna Labree, Ekalaka, Montana

**Thank you to all of the buyers and bidders and to all
who help make our sale a success!**

Call us if we can help you in any way or if you have any questions about our cattle.

KUKUCHKA'S
BAR69
ANGUS RANCH

Selling
Fancy Commercial
50 Replacement Females

These commercial heifers are all one brand heifers that were raised on our ranch. They are purebred Angus from our registered Angus cows. They have been on our complete herd health program and have had all their calfhood vaccinations and were poured at branding, weaning and again in January. They were vaccinated for Brucellosis and have had their pre-breeding shot of Virashield 6+ VL5

The bulls and heifers will be available for viewing at the ranch six miles east of Belle Fourche prior to the sale and at Belle Fourche Livestock the day before the sale. We are available to answer questions any time. Give us a call at 605-892-2875!

Thank You

to neighbors, friends and the Bar 69 Crew.
We appreciate each of you so much!
